

Material : Alloy steel, Grade R3/R3S/R4/R4S/R5
 Finish : Painted
 Temperature range : -40°C up to +200°C, Polar Rated
 Standard certification : Certificate of Conformity
 3.1 material certificate EN 10204

Non-standard sizes or custom products available on request

Dimensions for shackles are calculated by multiplying the common link size by the factor shown below

Dimensions related to nominal chain diameter

- A = 1.00 x chain diameter
- B = 6.00 x chain diameter
- C = 3.37 x chain diameter
- D = 1.10 x chain diameter
- E = 1.09 x chain diameter
- R = 0.65 x chain diameter

Tolerance: Machined parts ± 1 mm
